This is a collection of known typos in "Implicitly extrapolated geometric multigrid on disk-like domains for the gyrokinetic Poisson equation from fusion plasma applications" published in Journal of Scientific Computing volume 91, Article number: 28 (2022). Available online via `https://link.springer.com/article/10.1007/s10915-022-01802-1`.
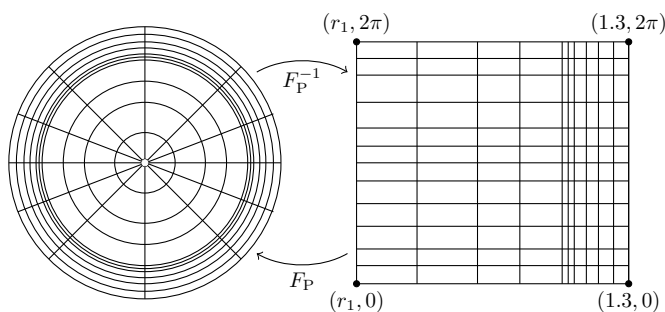

Errata on "Implicitly extrapolated geometric multigrid on disk-like domains for the gyrokinetic Poisson equation from fusion plasma applications"

Martin J. Kühn   Carola Kruse   Ulrich Rüde

April 13, 2022

Corrections marked in orange.

- Figure 2 is missing some lines and has been incorrectly printed in the final published version. Correct is:

- On Page 18 of 27 (center) the (weighted) $\|\cdot\|_{\ell_2}$-norm should read

$$\|v\|_{\ell_2} = \sqrt{\frac{1}{n}\sum_{i=1}^{n} v_i^2}$$
